Dear Paul, Hoch 9/13/83

In the course of checking an FBIHQ JFK assassination section for another record I came upon what I'll enclose when "il can run the copier, and FBI report relating to you and based on information obtained from an identified 137 symbol informer, Abby Shaw.

The thing remhnded me of another one I sent you years ago that included me and I thbik was of approximately this date. However, I do not know that they are identical

Mean anything to you?

As you can see from the other enclosure, maybe the FBI will be making some new Nosenko disclosures soon.

If I remember correctly, when I received this I had a notion it might be in response to the request os someone else. Not that mine is not older!

"est,
